

Eagle Ranch Resort Port Dickson sprawls amidst a rugged 32 acre countryside where eagles soar the skies and the elements of a unique recreational paradise provide a wide range of exciting outdoor and indoor activities, both for the young and the young at heart.

Eagle Ranch Resort unveils a new and unique Rope Course Challenge that provides a series of individual and group physical, social and emotional challenges that require a combination of teamwork, skills and individual commitment.

Rope Challenge Courses are "artificial mountains". Generally constructed outdoors using trees or utility poles and ropes, cables and wood, the combination of 19 High and 18 Low rope elements make Eagle Ranch Resort the FIRST in Malaysia to construct its rope challenge course using concrete poles.

Choose Eagle Ranch Resort Rope Challenge Course

- Practice problem solving in a group setting
- Discover your inner self
- Improve communication
- Clarify roles and responsibilities.
- Integrate an enjoyable activity to break up a multi-day meeting.

Rope Challenge Courses can be used with school students through to adults and are readily adaptable to a wide variety of cultures, settings and people with different abilities.
